

Previously Positive COVID-19 Client Liability Waiver

For patients/clients that have been previously diagnosed with COVID-19 there is medical research showing there is increased risk of clotting factors and disorders such as deep vein thrombosis, higher risk of clotting, and pulmonary embolism. By signing below, you (the client) are consenting to professional Massage Therapy body work and are fully accepting all risks and possession of full medical liability by receiving treatment with us here at The Massage Studio. This treatment is full at your own risk and if you were to experience any complications medically post massage you accept and acknowledge you are 100% liable for any treatments or problems that might transpire related to your previous COVID-19 positive result. This waiver also certifies that you are 14 days or more out from a positive COVID-19 diagnosis, any less than 14 days from diagnosis and we will not be able to provide services today.
